

This document was updated by IHRSA on 7/30/21 to be used as a resource to compare mask requirements across the United States. **This document should be used for comparison purposes only.** Even if there is not a statewide requirement, sector specific guidance for gyms, health clubs, and fitness centers may require masks. Please consult your state and local regulations for complete and up to date operational guidelines.

Please email gr@ihrsa.org if you believe this chart to be incorrect or out of date.

Note: Virtually all states recommend or require masks to be worn by the unvaccinated while in a public indoor setting.
